CPCWHS1001 PREPARE TO WORK SAFELY IN THE CONSTRUCTION INDUSTRY

This unit of competency will give the learner the skills to be able to work safely in the construction industry. The unit requires the person to demonstrate personal awareness and knowledge of health and safety legislative requirements in order to work safely and prevent injury or harm to self and others.

It covers identifying and orally reporting common construction hazards, understanding basic risk control measures, and identifying procedures for responding to potential incidents and emergencies. It also covers correctly selecting and fitting common personal protective equipment (PPE) used for construction work.

All students must provide 100 points of original ID prior to scheduled training dates with all original names. Enclosed shoes must be worn.

Fee is fully sponsored by Coolamon Shire Council for young people who reside in the Coolamon Shire aged up to 25 years of age
